Camps and Cottages - Molly Hyde English - 2004-05-11

From the burnt orange of Yosemite's sunsets to the cobalt blues and foam greens of the Pacific, Camps and Cottages invites you to make a fresh, bold statement by combining the warmth and comfort of cottage living with a rustic blend of old and new. Camps and Cottages emphasizes excitement, color and whimsical seaside living- no matter your location! It is cozy, colorful, and relaxed, incorporating indoor and outdoor living without the traditional boundaries associated with harsher climates. Camps and Cottages is dedicated to excitement and color, gives some vintage touches, and incorporates interchanging indoor and outdoor living without the traditional boundaries associated with harsher climates. Whether the location is New England, mid-America, the Rockies, or the Pacific Coast, Camps and Cottages reflects the form and function of the heartland energized with the color and movement of our country's forests and seashores. Molly Hyde English is the founder of Camps and Cottages, a retail store with locations in southern California. She is a regional contributor to Country Home magazine, and her work has been featured in Country Home, House Beautiful, Home, Garden Design, and Woman's Day; she has also appeared on various HGTV programs. Linda Svendsen, a graduate of Music and Art High School and Parsons School of Design in New York, has been a renowned photographer for more than thirty years. Her work is showcased in numerous magazines and books; she is the author of Bicycle: Around the World.

The Cabin Book - Linda Leigh Paul - 2004

The cabin is perhaps the most iconic of American structures, harkening back to colonial and pioneer days. They recall a time before cell phones and email, evoking images of cozy fireplaces and quiet contemplation. For many, the cabin also summons forth images of logs and plaid, plank floors and lofted beds. The Cabin Book offers a wonderful variety of forms and explores the most innovative designs in cabin architecture. Once rustic and simple, the cabin is now comfortable and chic, putting owners in the heart of the wilderness while providing comfort and beauty so they can get away in style. Among the 25 cabins included is a little-known Wisconsin cabin designed by Frank Lloyd Wright; an upstate Michigan log cabin designed by renowned architect Anthony Belluschi; and a one-room "urban" cabin in Portland, Oregon. One couple designed a cabin-all on one floor-without the use of right angles. Whether ensconced in glass or surrounded by an enormous porch, these cabins speak of personal style, perfect for the rugged or the sybaritic. Like cottages, the cabin is one of the most popular house styles, since it is small enough to be inexpensive and easy to maintain. Everyone dreams of an idyllic retreat, and this book showcases its best examples. The cabin is perhaps the most iconic of American structures, harkening back to colonial and pioneer days. Cabin Porn - Zach Klein - 2015-09-29

Rural escapes for those yearning for a simpler existence, by the creators of the wildly popular Instagram account Cabin Porn. Created by a group of friends who preserve 55 acres of hidden forest in Upstate New York, Cabin Porn began as a scrapbook to collect inspiration for their building projects. As the collection grew, the site attracted a following, which is now a huge and obsessive audience. The site features photos of the most remarkable handmade homes in the backcountry of America and all over the world. It has had over 10 million unique visitors, with 450,000 followers on Instagram. Now Zach Klein, the creator of the site (and a co-founder of Vimeo) goes further into the most alluring images from the site and new getaways, including more interior photography and how-to advice for setting up a quiet place somewhere. With their idyllic settings, unique architecture, and cozy interiors, the Cabin Porn photographs are an invitation to slow down, take a deep breath, and feel the beauty and serenity that nature and simple construction can create.

The Southern Rustic Cabin - Emily J. Followill - 2015-07-14

Explore the beauty, tradition, and stylish renovation of rustic mountain homes across the Southern Appalachians in this gorgeously photographed book. The cool, wooded mountains of the South are dotted with log cabins, each with its own rich history and aesthetic charm. In The Southern Rustic Cabin, photographer Emily Followill captures the rugged beauty and unique personality of thirteen mountain homes located across Tennessee, Georgia, North Carolina, Alabama, and Virginia. The homeowners have lovingly preserved the age-old qualities of their cabins while renovating, revitalizing, and redecorating them to support modern living and reflect their personal style. Alongside her stunning photography of interiors and exteriors, Followill tells the story of how each cabin and owner came together; as the owners changed their cabins, the cabins invariably changed the owners as well.

Saving the Family Cottage - Stuart Hollander - 2017-03-27

Estate planning for family cottages and cabins When family members inherit a vacation home together, problems are often unavoidable, given that the new co-owners may have different financial circumstances or emotional attachments to the family cottage or cabin. But you can head off damaging family squabbles by developing a legal structure (typically an LLC) to take care of the business of ownership. Whether you’re planning to pass on a cottage to your children, or you’ve inherited a cabin with your siblings, Saving the Family Cottage provides practical, legal solutions for preserving a beloved family property for generations to come. You’ll learn how to: keep the peace (and avoid fights) among siblings over jointly-owned property prevent a family member from forcing a sale of the cottage or cabin keep your vacation home out of the hands of in-laws and creditors, and make a smooth transition from one generation’s ownership to the next. The fifth edition is updated to reflect current tax laws, including state property tax laws which affect choice of legal entity. It also includes an expanded discussion of legal issues when renting a family cottage or cabin on Airbnb, VRBO, or similar rental services.

Cottage Rules - Nikki Koski - 2014-12-01

The Cottage Rules sets out no-nonsense, easy-to-use guidelines for cottage owners who share ownership with others. It deals with everything from succession to laundry. The rules work to prevent conflicts, so that your relationship with your partners can be either as close or as distant as you desire. This book shows cottage owners how to manage their cottage like a business, which in turn prevents disputes and frees their time and energy so they can use it to enjoy the cottage. With four cornerstones to the system (meetings, bookings, banking, and work weekends), the rules are easy to implement, flexible, and reliable. The Cottage Rules can help owners attain their dream of peaceful cottage ownership.

The Cottage Rules can help owners attain their dream of peaceful cottage ownership.

Cabin Fever - Rachel Carley - 1998-09-28

A log cabin in the woods is one of America's most cherished icons -- a dream shared around the world. As the stress level of city life rises, more and more of us are imagining our own cottages far away from traffic lights and urban distractions. Cabins in the wilderness have never gone out of style, because the rustic life is a simple, rewarding one rooted in the traditions of the great outdoors. Featuring rustic interiors as well as North Woods architecture, Cabin Fever visits more than two dozen charming retreats old and new, large and small, in the mountains and along the water, from the wilds of New York out to the wild, wild West. Author Rachel Carley explains where our love for the rustic comes from and shows the amazingly varied guises in which it appears today. After serving as settlers' cabins, log homes enjoyed a phenomenal popularity in the late nineteenth century. Wealthy families such as the Vanderbilts, Guggenheims, and Carnegies summered in areas as remote as they could find, building what were euphemistically called camps. Those less affluent, following the era's prescription for fresh air and simplicity, traveled to even more rustic hotels and vacation cabins to get their share of the refreshing woods. Cabin Fever presents some of the best of these old lodges and private cabins, along with striking new homes that give a contemporary twist to the ideal of the rustic life. To help fill a cabin, a whole camp, or even an apartment with the latest in rustic style, the book's catalogue shows where to find home furnishings from twig bedsteads to Hudson Bay blankets to Adirondack chairs. Brimming with exceptionally creative ideas for achieving this truly American look, this enchanting guide to living with the rustic style will cure every variety of cabin fever.

Author Rachel Carley explains where our love for the rustic comes from and shows the amazingly varied guises in which it appears today. After serving as settlers' cabins, log homes enjoyed a phenomenal popularity in the late nineteenth century. Wealthy families such as the Vanderbilts, Guggenheims, and Carnegies summered in areas as remote as they could find, building what were euphemistically called camps. Those less affluent, following the era's prescription for fresh air and simplicity, traveled to even more rustic hotels and vacation cabins to get their share of the refreshing woods. Cabin Fever presents some of the best of these old lodges and private cabins, along with striking new homes that give a contemporary twist to the ideal of the rustic life. To help fill a cabin, a whole camp, or even an apartment with the latest in rustic style, the book's catalogue shows where to find home furnishings from twig bedsteads to Hudson Bay blankets to Adirondack chairs. Brimming with exceptionally creative ideas for achieving this truly American look, this enchanting guide to living with the rustic style will cure every variety of cabin fever.

Back to the Cabin - Dale Mulfinger - 2014-07-14

Dale Mulfinger is widely acknowledged as the foremost expert on cabins in North America. His first book, The Cabin: Inspiration for the Classic American Getaway, has sold over 165,000 copies and has consistently been the leading book in the category since it was published in 2001. In this new collection of 37 cabins, Mulfinger rekindles his love for this treasured American icon with fresh insight and seasoned strategies for the logic, utility, and beauty of cabin design. Cabins speak of modesty, shared spaces for the camaraderie of family and friends, and an open, relaxed atmosphere. Many of the cabins showcased in Back to the Cabin capture this iconic spirit, where life is simple, the mudroom is entry enough for all, and burning wood is for more than just charm. There are also some surprises along the way, with cabins that come packaged as kits, cabins built from recycled materials, and other whimsical examples designed “just for the fun of it.”

The Log Cabin: An Illustrated History - Andrew Belonsky - 2017-11-17

“A stunning, image-driven examination of the "uniquely American symbol of home and hearth” —BuzzFeed (Books Gift Guide) "Lavishly illustrated, this book by a Cincinnati native tells the story of America through its iconic structure — the log cabin. In lively prose," —Columbus Dispatch "The perfect holiday gift for grown-ups who graduated past Lincoln Logs," —Mother News Network Like a wooden security blanket that Americans reach for when times get tough, the log cabin has endured as a uniquely American symbol of home and hearth. This strain of cabin fever is no fleeting trend: It has struck at regular intervals since the early 1900s, when log cabin vacations first became an option for an increasingly mobile America. Now the cozy cabin aesthetic is found, like a collective fantasy, in every corner of our national culture. But how did it all begin? This is an image-driven history of log cabins in America. Exploring the log cabin’s hidden past, this book draws on colonial diaries and journalistic accounts, as well as paintings, illustrations, and graphics to show how the log cabin—once derided as a poor immigrant’s hovel—became an American institution and a modern ambition. Bursting with quirk, charm, and fascinating trivia, The Log Cabin is the perfect companion for cabin dwellers, vacationers, and daydreamers alike.

Cabin Style - Chase Reynolds Ewald - 2019-08-06

The co-authors of American Rustic share inspirations for rustic elegance in home design for those who love living well in wild places. This gorgeously photographed volume offers visions of refined cabin style by top designers, builders, architects, and artists. From Napa to Nashville and along the Rocky Mountain spine, each project reflects the ways we live, and play, in nature. Whether a bison ranch, a log fishing cabin, a stone guest house, a lakeside retreat, a ski chalet, or a wine country barn, each home exhibits whimsical, playful, comfortable, and welcoming interiors and architecture—always inspired by the land. The homes curated in Cabin Style represent a fresh look at the genre, from traditional to transitional to modern. Interviews with architects, designers, builders and owners illuminate both the backstory and the creative process. Photographer Audrey Hall and writer Chase Reynolds Ewald have collaborated on five books, with their book American Rustic being named one of Best Home Design Books of 2015 by Architectural Digest.

A Very Modest Cottage - Tereasa Surratt - 2010

The amazing story of the charming little cottage that could—and the woman who rescued it "Tereasa's journey of renovation and resurrection proves that any one of us can make a difference when it comes to preservation." -James Peters, President, Landmarks Illinois When Tereasa Surratt decided to restore a dilapidated old cabin to its original state AND move it 245 miles from Illinois to Wisconsin, everyone said she was crazy. But she saw potential where others saw junk, and knew that with hope and a hammer there is always a way. To her, this cottage was not just a building, but a precious piece of her childhood and hometown that she was determined to keep alive. A Very Modest Cottage follows Tereasa’s adventures as she rescues this gone-to-ruin cabin and gives it new life as a guest cottage on the edge of the woods overlooking a peaceful lake. Moreover, she achieved her goal on a budget of around \$300. Part how-to guide, part scrapbook, and completely inspiring, this special memoir shows how even the simplest architecture can have a powerful emotional affectand that when you roll up your sleeves and work to make a dream come true, anything is possible.

The Stranger in the Woods - Michael Finkel - 2017-03-07

Many people dream of escaping modern life, but most will never act on it. This is the remarkable true story of a man who lived alone in the woods of Maine for 27 years, making this dream a reality—not out of anger at the world, but simply because he preferred to live on his own. A New York Times bestseller In 1986, a shy and intelligent twenty-year-old named Christopher Knight left his home in Massachusetts, drove to Maine, and disappeared into the forest. He would not have a conversation with another human being until nearly three decades later, when he was arrested for stealing food. Living in a tent even through brutal winters, he had survived by his wits and courage, developing ingenious ways to store edibles and water, and to avoid freezing to death. He broke into nearby cottages for food, clothing, reading material, and other provisions, taking only what he needed but terrifying a community never able to solve the mysterious burglaries. Based on extensive interviews with Knight himself, this is a vividly detailed account of his secluded life—why did he leave? what did he learn?—as well as the challenges he has faced since returning to the world. It is a gripping story of survival that asks fundamental questions about solitude, community, and what makes a good life, and a deeply moving portrait of a man who was determined to live his own way, and succeeded.
